Getting Started With

kanopy

**Kanopy offers thousands of movies and TV shows at your fingertips!
All you need to watch is your library card number and password/pin.**

1.

Visit the Kanopy website at https://cdpl.kanopy.com

2.

Create an account by clicking on Connect Now/Sign Up and entering a name, email address and password.

3.

Once you enter your email address, Kanopy will send you a confirmation. Open your email inbox, select the message from Kanopy and click "confirm my email." You will be redirected to the Kanopy website. If you haven't already, you may be prompted to select "Crawfordsville District Public Library" as your library.

4.

You may also be prompted to enter your CDPL card number and Pin/Password. Once Kanopy confirms your number you'll be taken to a page that explains the terms of use. Click on "watch now" to start streaming!

5.

You can also download the Kanopy app to your Android, Amazon fire tablet, or iOS (iPhone/iPad) device and can stream with/to Roku, Apple TV, or Chromecast devices.

You can watch a maximum of 10 videos per month. Once you press play on a video, you will automatically use one play credit. Once you press play on a video, you will have 3 days to view it as many times as you like without using another play credit.
