How to find memorials

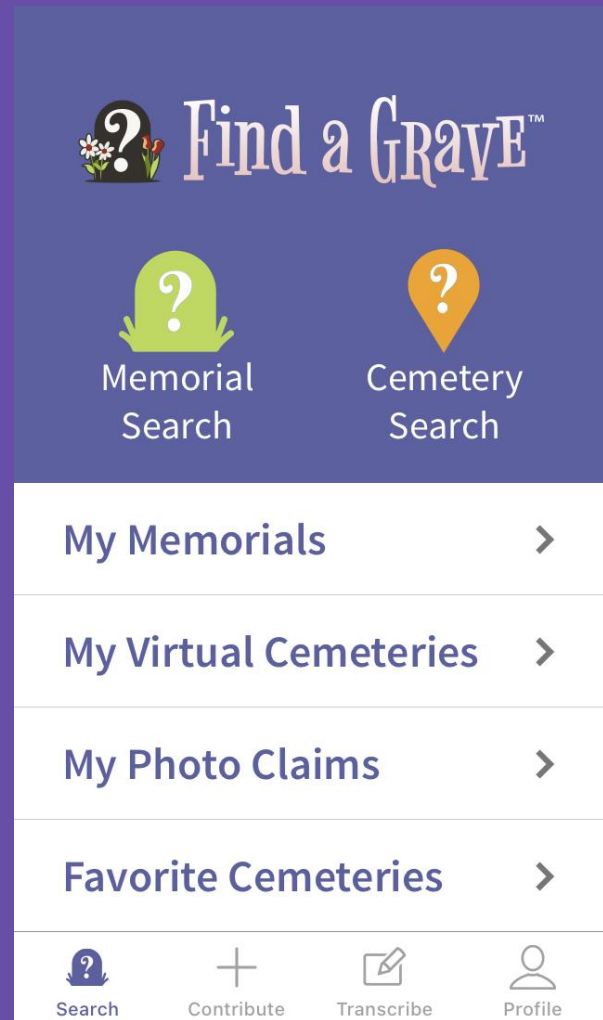

Find A Grave

- The App -

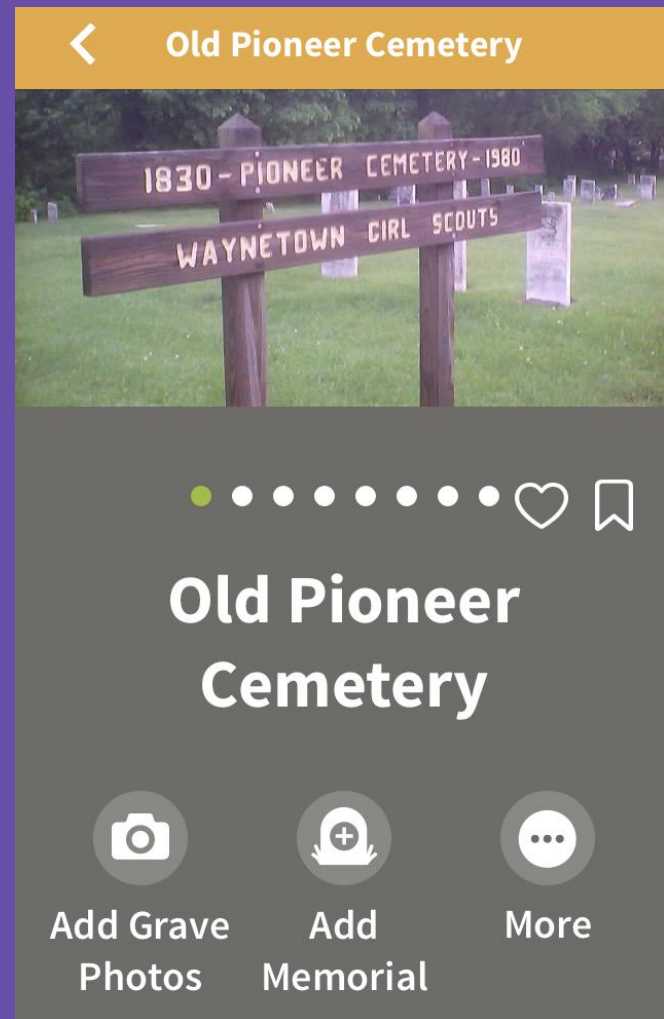

- **Using your smartphone, go to the Apple app store for iPhones or the Google Play store for androids to download the Find a Grave app.**

- This is what you first see when you open the app (unless it asks you to sign in first.)
- Access your memorials
- Access your photos

- Click the banner on the right to make a cemetery a favorite.
- Click the heart on the right to become a photo volunteer.
- To undo either of those actions, click more and select. The More button also allows you take a picture of the cemetery.

- You can see the stats of the cemetery as far as what percentage has been photographed and what percentage have GPS coordinates.
- This is where you can see who needs pictures of certain gravestones by seeing the requests.
